### *Our History*

Lynfred Winery is the oldest and largest, continuously operating, family winery in Illinois, producing over 70 varietals and 30,000 cases of fine wine per year. Since 1979 Lynfred Winery has offered guests the finest vintages, gourmet cuisine and luxurious lodging. Lynfred is one of Chicago's most unique attractions.

Lynfred Winery has a magical presence and anyone who continues down its cobblestone drive begins to feel it. The nostalgic-like atmosphere is something that all can appreciate and is adored by tourists, neighbors, and wine lovers. Experience Lynfred wines and live the Lynfred life.

Lynfred wines are created by Chilean-born winemakers, Andres Basso and Rodrigo Gonzalez. As an urban winery, our winemakers source the best fruit from vineyards in Washington, California, Illinois, Michigan, and Chile. Lynfred believes in gentle processing and minimal handling and procedures. Ultimately, the best fruit, cared for under the best conditions in the cellar transforms into a supreme delight when processed, aged, and blended in their signature style. Lynfred is unique to the Midwest. No other winery in the region can boast the variety of wines made in-house that Lynfred offers under Andres' and Rodrigo's tutelage.
