Assemblage 2021

We are delighted to announce the bottling of our Assemblage 2021 on February 1st. Crafted using the innovative co-fermentation technique this wine embodies a harmonious blend of 50% Alicante Bouschet and 50% Malbec grapes sourced from the Columbia Valley, Washington. By fermenting these grapes together, we've unlocked fresh and intricate flavors exclusive to this method. Following fermentation, the wine matured for 24 months in American oak barrels, resulting in a smooth and elegant profile. Reserved exclusively for our discerning club members, Assemblage 2021 will be available for release on March 1st, 2024. Cheers to rare and complex wines!

Cabernet Sauvignon 2021

We finalized and bottled our April wine of the month, the Lynfred Winery Cabernet Sauvignon Vintage 2021. Sourced from Kamiak Vineyards, Washington, the grapes benefit from the region's sunny climate and volcanic soil, yielding a distinctive Cabernet Sauvignon. This wine boasts a complex bouquet of violets, black cherry, cedarwood, and black pepper, embodying the essence of our terroir. Here's to elegance and complexity in every sip!

Strawberry

We are excited to introduce a new batch of Lynfred Strawberry wine, crafted from USA-grown fruit. Radiating a clear ruby hue, this wine entices aromas and flavors of strawberry, cranberry, and apple—a delightful embodiment of summer captured in every bottle. Indulge in the sweetness of a summer breeze with our Lynfred Strawberry wine.

Sparkling Rose Brut

Towards the end of the month, we bottled a fresh batch of our Lynfred Sparkling Rose Brut - a blend of Chardonnay and Pinot Noir grapes. Crafted using the Charmat method, this dry and low-alcohol sparkling wine exudes lively fruit aromas complemented by delicate bubbles and refreshing flavors. Raise a glass to the perfect balance of elegance and effervescence with Lynfred Winery Sparkling Rose Brut. Cheers to moments of celebration!

New Fermentations

Our cellar is alive with the intoxicating aroma of fermenting blueberries from Michigan and rhubarb from Poland. Stay tuned as we craft new and exciting expressions of wine from these exceptional fruits.
