Rodrigo

January 2025 in the Cellar

CHERRY

We've bottled another stunning batch of our Cherry Wine, crafted from Montmorency cherries sourced from Wisconsin's Country Ovens. Renowned for its refreshing taste, enticing aroma, and perfect balance of sweetness, this wine remains a perennial favorite among our fruit wine selections.

MANGO VINO

This January, we bottled a new batch of our one-of-a-kind Lynfred Mangovino. This marks our second release of this port-inspired wine, made from 100% mango wine fortified with grape spirits from Fresno, CA. Aged in American oak barrels using the solera method, this fortified fruit wine showcases vibrant tropical fruit aromas and exquisite bourbon-like flavors. Enjoy this exclusive and unique wine with your favorite dessert!

ASSEMBLAGE 2022 – A Promise Fulfilled!

During last year's Douro River Cruise, we promised to create a wine inspired by that unforgettable Portuguese experience. This January, we bottled our Assemblage 2022, a tribute to the heart and soul of Portuguese winemaking—a celebration of the land, the hands that toil, and the centuries-old traditions passed down through generations.

Crafted from Tinta Cão, Souzão, and Tinta Roriz grapes grown in Lodi Valley, California, this wine was fermented as a field blend to capture the true essence of Portuguese wines. With each sip, experience a harmonious fusion of tradition and innovation. This exclusive wine will be released to our club members on May 1, 2025. Cheers!

SACRAMENTO – UNIFIED WINE & GRAPE SYMPOSIUM 2025

What an incredible way to close out January 2025! Our Lynfred winemakers attended the Unified Wine & Grape Symposium in Sacramento, where wine connoisseurs and industry experts gathered to exchange insights and explore the latest innovations in winemaking.

While in California, we also met with some of our dedicated grape growers to lay the foundation for next season's harvest. Our journey took us through the renowned wineries of Napa and Sonoma, where we immersed ourselves in fascinating wine research that will help refine our craft. Staying ahead of wine trends and continuously enhancing our offerings remain our top priorities.

We take immense pride in the exceptional quality of wines crafted at our beloved Lynfred Winery in Roselle, Illinois. Our dedication ensures that our wines stand alongside world-class offerings from this prestigious wine region. Cheers!
