

Lynfred Book Club FAQ

What is the Lynfred Book Club?

The Lynfred Book Club is a community for wine lovers and readers of all kinds to come together over great books, thoughtful discussion, and, of course, exceptional wine.

Who can join?

All Lynfred Wine Club Members are welcome to participate in the Lynfred Book Club.

What kinds of books will be selected?

Our monthly fiction selections may include best sellers, classics, hidden gems, and staff favorites. Some books may be familiar favorites, while others may introduce you to something completely new.

How do I get the monthly book?

Guests will purchase, download, borrow, or listen to their own copy of each month's selection. This allows everyone to enjoy the format they prefer, whether that is hardcover, paperback, e-book, or audiobook.

How will I know the monthly selection?

Book selections will be announced monthly through Lynfred email newsletters, social media, and our Book Club community pages.

Will there be Book Club events at the winery?

Yes! We will host ticketed Book Club discussions at the winery featuring themed wines, small bites, and guided conversation inspired by the monthly selection.

What are “Silent Sips & Stories” meet ups?

These relaxed gatherings invite Lynfriends to bring their current book to the winery and enjoy a peaceful evening of reading, sipping wine, and optional conversation with fellow book lovers.

Do I have to finish the book before attending events?

Not at all. While discussions may include spoilers, guests are welcome to join for the atmosphere, wine, and community at any point in the reading journey.

Will there be an online community?

Yes! We will have a dedicated Facebook Group where members can discuss the monthly book, share recommendations, and connect with fellow Lynfred Book Clubbers between meet ups.

Do I need to attend every event or read every book?

Absolutely not. Participate as often as you would like. This club is meant to be fun, flexible, and welcoming to every kind of reader.

All Lynfriends (even non-Members) may be a part of the book club. Ticketed Discussions are for Wine Club Members Only. Every Member gets two tickets under their Membership. LW Premier Members may get up to four tickets.
